Hardeeville Youth Basketball is a Slam Dunk!

Hardeeville's smallest athletes successfully complete basketball season.

February was a big month for Hardeeville's smallest athletes. Our littles wrapped up their basketball season on February 24th. Youth athletics are very important for the development of a happy and healthy community. It is never too early to start our little ones to see what recreational activities spark their interest. Keeping score is not the goal of the game but it is the development of self-esteem, sportsmanship, and friendships. As you can see this sweet group athletes were all smiles with their medals. Many thanks to the YMCA who oversaw operations of the program in partnership with us this year! W can't wait until next season! Congrats kids, job well done!

If you are interested in signing up you child/ children, make sure to regularly check the PRT Facebook page and RecDesk for new dates.
