### Engineer/Senior Firefighter Application Process

The Hardeeville Fire Department is known for aggressive firefighting tactics, proactive fire and life safety education programming, and one of the most efficient extrication departments in the state. We protect and serve residents and visitors through fire prevention activities and emergency responses to fire, EMS, and hazardous materials incidents. If you are interested in helping people and want an exciting career in public service, become a Hardeeville Engineer/Senior Firefighter!

Starting Salary: \$40,747 Entry Level, \$50,934 Mid Grade, \$55,702 Maximum  
Work Hours: 24 Hour-48 Hour Rotating Shifts

Applicants considered for positions will participate in a two-day written and physical agility test scheduled for April 24<sup>th</sup> & 25<sup>th</sup>. For testing details and essential information, all applicants MUST visit City of Hardeeville website employment tab:  
<http://www.hardeevillesc.gov/2199/City-Employment>

Applicants selected for hire will perform firefighting, rescue, and emergency medical services. This is accomplished by extinguishing fires, conducting fire and rescue operations, preventing the reoccurrence of fires, maintaining and inspecting fire apparatus and equipment, conducting pre-fire plans, training on firefighting techniques, performing public relations activities, providing life support, and participating in continuing education for state certifications. Other duties include maintaining grounds and facilities, testing equipment, and performing other duties as assigned.

Applicants hired will learn to perform all tasks above through attending classes and participating in rigorous physical training. All applicants selected for hire who do not currently have NREMT-B certification or higher must attain NREMT-B certification to maintain employment.

**There will be a physical ability test, written exam and practical evolution as part of the process.**
