

October 4, 2022

I want to take a moment to make you aware of an upcoming change to payment options for Hargray Communications customers.

We will be discontinuing the option for customers to make payments in our retail centers, including via our local office payment drop boxes, effective Tuesday, January 3, 2023.

Customers will continue to have access to a number of convenient payment options, including over the phone by calling 1-877-427-4729; online by setting up automatic payments or making a one-time payment at www.Hargray.com; through the mail by sending in their payment stub and payment to the address on their bill; or in person by visiting a local MoneyGram bill pay center.

We value our partnership with the City of Hardeeville and we will continue to provide our customers with the latest products and technical advancements, while maintaining the highest level of reliability and customer care.

Please feel free to contact us with any questions or concerns you may have and we look forward to our ongoing partnership.

Sincerely,

Joel Braun
