On November 1, 2022, the City of Hardeeville Parks, Recreation, and Tourism Department hosted the 2022 Battle of the Badges to raise funds to donate to this year's chosen recipient, The 200 Club of the Coastal Empire. The non-profit organization provides financial and emotional support, college funding, and ongoing assistance for the families of firefighters and law enforcement officers who lose their lives the line of duty while protecting our communities.

The slow-pitch softball game between the Hardeeville Fire Department and Hardeeville Police Department was played at the Richard Gray Recreation Complex and garnered hundreds of spectators. The event helped raise over \$13,000 for The 200 Club of the Coastal Empire and donations can be made until December 31, 2022.

The Hardeeville Police Department, led by Chief Sam Woodward, won the softball game for the first time in the history of the event.

For more information on the event or if you are interested in donating, please email us at [recre8@hardeevillesc.gov](mailto:recre8@hardeevillesc.gov).
